

ASHOK KUMAR A

MERN / React Native DEVELOPER

Over 2 years of professional exposure in JavaScript technology such as **React JS, MongoDB, React Native, Express.js**, and **Node JS**. Building e-commerce application using the Javascript **MERN Stack** using **Flux, Babel+ES6** for Single Page Application development. Expertise in developing web pages using **HTML5, CSS3** and also developing Android and IOS applications to use **React Native**. Good understanding of Document Object Model and Dom Functions. And also Node environment using **NPM**, and **MongoDB, SQL** Databases along with **Mongoose.js**, and **Sequelize ORM** to create a server-side application and wrote MapReduce program to sort the words in the file. To create the user validation forms and use the **Rest-Full services** for sending the data to the server. Good experience in using components, **Forms, Events, Keys, Router, Animations**, and **Flux Concept**. Used Node Package Manager (NPM) to manage the modules and used it to install useful tools such as **Express, Mongoose, await-to-js, morgan, cors, HTTP-status, passport.js, bcrypt.js, Jsonwebtoken**, and **socket.io** for server, **react-router-dom, reactstrap, react-icons, bootstrap, react-virtualized, axios, lodash, react-redux, prop-types** for the client. **React-Navigation-5, react-native-vector-icons, react-native-screen, @react-navigation/native, AsyncStorage, Mobx ...etc.** Good knowledge of **MVC** and **Flux** architectural patterns and their implementation in user interfaces. Solid working experience in various IDE's: visual studio, Android-studio, and Xcode. A result-oriented professional with good communication, leadership, team management, analytical, and coordination skill.

WORK EXPERIENCE

React Native & Mern Stack - (Associate) Connected Digital Systems Private Limited

08/2021 - Present

Chennai

Achievements/Tasks

- Now, I'm developing Oneappplus Android Application by individual

React Native Developer Kpost India Private Limited

10/2020 - 08/2021

Chennai

Achievements/Tasks

- Katbook Android / IOS Application Develop by individual.
- Public Work Department Android / IOS Application Develop by individual.

Full Stack Developer - Intern DoWhistle

06/2020 - 10/2020

Chennai

Collaborated with a team of Three Web-application development to create sleek and innovative UI designs. Authored code fixes and enhancements for inclusion in future code releases and patches. Pulled from NodeJS, MongoDB, knowledge to bolster programming resources.

EDUCATION

Master of Computer Application (FullStack) Rathanavel subramaniam college of arts & science

06/2019 - 04/2020

Coimbatore

Bachelor of Science - Information Technology Rathanavel subramaniam college of arts & science

06/2016 - 04/2019

Coimbatore

SKILLS

ReactJS

MongoDB

SQL

Node

React Native

Git

GitHub

Rest API

Linux
